

Shining Waters Organic Farm and Utley Acres CSA

Shining Waters Organic Farm is partnering with Utley Acres to bring you a brand new CSA in 2019. Todd Willis and April Patterson are located at 3528 Culvert Road, Medina, New York. Todd and April's farm, Shining Waters Organic Farm is certified organic. They **do not** use any synthetic fertilizers nor chemical pesticides or herbicides. All seeds are **Non GMO**. Any amendments to the soil or treatments for the plants are organically based. This insures nutrient dense vegetables that are safe to eat. Todd and April offer a strong commitment to producing delicious, healthy vegetables with great value.

CSA means community supported agriculture. This CSA represents a group of members supporting a local farm with a financial commitment. In return, the farm supplies the members with fresh, local, healthy vegetables. With any season, there are weather variables that may alter a crop harvest. Some crops may be in surpluses and some may be in shortage. Cold Waters Organic Farm will do their best to supply beautiful healthy vegetables with whatever weather develops in that season.

Members purchasing a vegetable share will receive vegetables for **20 weeks**, beginning around the second week of June, and based on weather. The price for the season is **\$480.00/ season plus a refundable \$20 deposit for wooden boxes that will be used to deliver your share**. An additional delivery fee of \$5.00/week can be added if you'd like delivery and are within a three mile radius of the store. Membership is on a first come first served basis with a 50% deposit of \$250.00. The balance of \$250.00 due June 1st. Examples of what is planned for the boxes are: Beans, beets, broccoli, brussel sprouts, cabbage, carrots, cauliflower, collard greens, sweet corn, cucumbers, eggplant, garlic, herbs, kale, lettuce, melon, onions, peas, pepper, potatoes, radishes, spinach, strawberries, summer squash, tomatoes, winter squash, zucchini, leeks, and chard.
